Phil,

I am very willing to help out with this effort as well. It is easy enough to fly to Anchorage for the day or two if necessary. My schedule is somewhat flexible for the next couple of months. I will be in Anchorage on a few dates this spring (Apr 13/14, Apr 26, May 4/5) so could coordinate a visit with your group on one of those dates as well. At any rate, please let me know when and where I can help out and I will be there.

Cheers,  
Daniel
